DUEL WITH RAZORS

Colored Farm Hands Carve
Each Other Like Demons.

ONE OF THE MEN WAS KILLED.

The Survivor Tells His Story of the
Awful Battle.

They Fought in a Room Eight Feet
Square—The Dead Man Mangled Almost
Beyond Recognition—Thirty Wounds
On His Stayer's Body—An Inquest Held
On the Corner and a Verdict Rendered.

New York, July 30.—Donl Boucon
and Thomas Channell, negro farm hands
and Glen Head, L. I., fought a duel
with razors in their sleeping room in an
old farm house about midnight.

Channell was killed and Boucon was
desperately wounded and just alive
when found in the morning.

The two men occupied a room about
eight feet square. They went to bed at
the usual time. Just exactly what hap-
pened nobody knows.

Boucon's version of the affair is that
they quarreled before going to bed. Sub-
sequently he was awakened to find
Channell sitting on him, and though it
was dark in the room, he could see that
Channell was brandishing a razor. He
grappled with Channell and the two fell
on the floor, Boucon on top.

Fought Like Demons.
Both men fought like demons, each re-
ceiving terrible wounds. Boucon re-
members nothing after that except that
he regained his senses sufficiently to
crawl back into bed, where he was found.

Boucon has over 30 gashes on his head
and neck, one within an eighth of an
inch of the jugular vein. He also re-
ceived a gash a foot long across the ab-
domen, nearly disemboweling him.

Terribly Mangled.
But Boucon's injuries are nothing com-
pared to Channell's. The dead man is
mangled almost beyond recognition from
his head to his waist. Everything in the
room was covered with blood, streams of
which ran through the floor to the room
below.

Boucon's wounds were dressed, and it
is thought that there is a chance of his
recovery.

A coroner's jury returned a verdict
that Channell was killed in self defense.
Two razors, a big knife and a club were
found in the room where the fight took
place.

WORKMEN IN AN ACCIDENT.
A Big Mill in Course of Erection Collapses
at Pittsburgh.

Pittsburgh, July 30.—The new pudding
mill of the Pittsburgh Oil Well Supply
Company, on Second avenue, collapsed
during the morning, killing B. Corkin
and an unknown Hungarian laborer and
seriously injuring J. Parker, Geo. Baker,
George Lemon, F. Schmidt and J. Cobia.
Several other workmen were painfully in-
jured.

Forty-two men were working at the
time of the accident. About thirty em-
ployees of the Elba Iron Mills were stand-
ing below watching the progress of the
work.

Without any warning the massive
structure came down with a frightful
crash, carrying with it several furnace
stacks, heavy iron strainers and braces.
A falling beam snapped a large steam
pipe, and in less than a second a tremen-
dous volume of steam was pouring out
upon the men imprisoned in the wreck.

The workmen in the mills rushed to
the rescue of their companions. When the
steam was shut off the dead and in-
jured were quickly recovered.

The building was 193 feet long and 106
wide. The upright frame was just fin-
ished and the workmen were placing the
roof strainers in position.

The plant was formerly owned by the
Elba Iron and Bolt Company. The loss
will be heavy.

Trying to Smuggle a Crew.
Lynchburg, July 30.—The Spanish Consul
here has been informed that there are
Spaniards imprisoned on board the
Chilian cruiser Errazuriz. It is also
known that several Portuguese were
smuggled aboard the cruiser during the
night. It is believed the Government
will order that the cruiser be searched
before she departs.

Two Thrown from a Buggy.
Kingston, N. Y., July 30.—While Wm.
Nesbitt and wife were driving on the
road near South Kortright, Delaware
County, during the morning, the horse
took fright and ran away, overturning
the buggy and throwing the occupants
on the hard road. Both are internally
injured, and little hope is entertained of
their recovery.

Rowell Accepts Hughes' Challenge.
London, July 30.—Charley Rowell
called at the Sporting Life during the
day, posted \$250, and accepted the chal-
lenge of John Hughes to run any dis-
tance from 24 hours to six days for \$1,000
and the championship of the world.
Should Hughes fail to back up his chal-
lenge Rowell will run any man in the
world upon the same conditions.

A Captain Arrested for Cruel Treatment.
New York, July 30.—Capt. J. A.
Thompson, of the clipper ship J. F.
Chapman, just returned from a voyage
around the world, was arrested charged
with cruel treatment by Eric Axel, one
of his crew. Commissioner Shields held
Capt. Thompson in \$2,500 for examina-
tion.

Held for Abduction.
FOURKEEPRER, N. Y., July 30.—August
Imbert and Grace Rogers appeared before
Recorder Morchauer during the morning
to explain why they ran away to-
gether. Imbert was held on the charge
of abduction and the girl detained as a
witness.

prison Hall Keeper Jesse Dixon, who has
been employed in the prison 35 years,
and Keepers Latham, Winans and Felch.

THE CZAR'S MESSAGE.
He Tells President Carnot that He Is Dis-
lighted With the French Fleet.

Paris, July 30.—The newspapers are
seeming with praise of the Czar and his
generous hospitality to the French of-
ficers now visiting St. Petersburg. The
following is the text of the telegram
which was sent from the Czar to the
President Carnot: "The presence in
my harbor of the fleet of a French fleet
is fresh testimony to the profound sym-
pathy uniting France and Russia. I
have at heart, and express to you, my
warm satisfaction on this account."

A Berlin dispatch to Le Petit Journal
says that the enthusiastic reception of
the French fleet at Constantinople is almost
the sole topic of discussion in that city,
and the occasion is viewed with serious-
ness very different from the ridicule
which used to be heaped on the efforts of
France to win the goodwill of Russia.

The decidedly warlike aspect of every-
thing connected with the affair has
aroused no little anxiety, it is stated, in
the highest quarters.

EXCITING RACE ISSUE.
Colored Children Will be Sent to the
White Schools.

UNIONTOWN, Pa., July 30.—For the past
24 years this borough has supported
separate colored schools, and for the last
15 years only a hard fight from time to
time has prevented the blacks from at-
tending the white public schools.

The action of the borough school
board last night in refusing to elect a
teacher favored by the colored people has
led them to decide on entering the white
schools when they open on Oct. 1. They
now declare that nothing will stop them,
as the law permits them to do.

A large portion of the white popula-
tion of the town is much excited over
the matter, and declare that if the blacks
are to go to the white schools they will
not send their children. The colored
population of this place is fully 1,500.

DRAMATIC SCENE IN COURT.
Col. Ingersoll Makes Charges of Forgery
in the Davis Will Contest.

HELENA, Mont., July 30.—Col. Robert
G. Ingersoll concluded his great opening
speech in behalf of the New York heirs
in the Davis will contest. He made out
a great case, and boldly charges the for-
gery on James R. Eddy, of Iowa.

He pointed out where scores of words
were misquoting in the alleged spurious
will, while Davis himself always wrote
the same words correctly. He will
prove that the paraphrasing of the con-
tested will came from a legal book, is-
sued since the date of the will, and
which contains an error copied into the
will.

The speech and charges were extreme-
ly dramatic, and produced a great sen-
sation.

Advertising
It is said will sell anything, this is
true in a measure; but for staying
qualities, merit is the test. Extensive
advertising may sell anything where
it is new or unknown, but after it
comes into general use, it is judged
according to its worth. The continued
and steady growth of Swift's Specifics

is the best evidence of its excellence.
It is most popular where it is best
known. Every bottle sold, sells two
others. Every one that takes it be-
comes its friend, and recommends it
to their acquaintances.

HELD BY OUTLAWS

A Wealthy Citizen Found Per-
ishing in a Cave.

SENSATION IN JEANNETTE, PA.

Two of the Gang Implicated in the Kid-
napping Arrested.

They Are Captured After a Shooting Con-
flict Behind Trees—A Halted that Other
Missing Persons Will be Found Dead or
Alive in the Den—A Thorough Search
to be Made in the Morning.

GREENSBORO, Pa., July 30.—Joel Moore,
a wealthy citizen of Jeannette, who
mysteriously disappeared several days
ago, was discovered during the morning
lying half famished and nearly perished
in a damp cave in a lonely ravine some
distance south of that place. He was
tenderly carried home, but suffering
severely from starvation and the ex-
posure from which he had undergone.

The whereabouts of the old gentleman
was disclosed by the arrest of Joseph and
Madison Johnston, the two notorious
speakeasy proprietors, who were cap-
tured through the extraordinary efforts
of five officers after a shooting conflict
from behind trees.

The Johnston brothers had been ter-
rorizing the community for over a year,
and their headquarters south of Jeannette
had been a leading place for the
tongues of a most desperate character.

On the evening of the disappearance of
Mr. Moore he was seen in the company
of one of the Johnstons. He was known
to have a large sum of money with him,
and when he failed to return home that
night his friends became greatly alarmed
and at once instituted a search.

All sorts of dark rumors began to be
circulated. The officials finally made a
descent upon the Johnston place, and
the two brothers were captured, together
with several of their associates. One of
the men taken became frightened at the
threats of the officers and revealed the
place where the old man was hidden.

His money was gone and he had been
roughly treated. If he had not been dis-
covered death would have soon occurred.

These revelations have caused an as-
tounding sensation. During the last
six months there have been several mys-
terious disappearances from Jeannette
and vicinity. A searching party, accom-
panied by officers, is to make a thorough
search of the cave and ravine in the
morning in the hope of making addition-
al discoveries.

In the effort to arrest the Johnston
brothers Constable Wetshon's officers,
Pitts and Fritz of Jeannette, and County
Detective Alcorn, had lively work. Mail-
men were arrested without any trouble,
but Joe resisted and fled behind a
tree. Drawing a revolver he compelled
Wetshon and Alcorn to get behind
trees. About a dozen shots were ex-
changed before Joe's ammunition ran
out. He and Madison were then brought
here and placed in jail, Joe being held in
\$1,200 and Madison in \$500 bail.

DILLON AND O'BRIEN FREE.
The Irish Leaders Released from Prison
This Morning.

DUBLIN, July 30.—Messrs John Dillon
and William O'Brien are out of prison.
Their term expired this morning.

The National Federation has arranged
for the presentation of addresses to the
patriots from the evicted tenants in
whose interests they incurred the animosity
of Mr. Balfour at Tipperary, and
from other bodies of the people in all
parts of the country.

Popular rejoicings will occur every-
where, with illuminations and bonfires
and all sorts of demonstrations.

Both the imprisoned members of Par-
liament are to enjoy an interval of quiet
before entering the lists once more for
Ireland, and the present lull in the
political fighting offers them a good op-
portunity of doing so. They will take no
prominent part in politics for some time
to come, and they prefer to leave the
thorny problem of the future leadership
of the Irish party to slumber awhile, un-
til the people come to some definite idea
concerning it.

SEVEN NIHILISTS KILLED.
Desperate Resistance of Two Hours With
St. Petersburg Police.

ST. PETERSBURG, July 30.—The police
have arrested 25 officers and 26 Nihilists
connected with a conspiracy to kill the
Czar and force the young Czarowitch to
establish a constitutional monarchy.

The Nihilists were arrested only after
a desperate resistance of two hours, in
which they used revolvers freely. The
military assisted the police.

Seven Nihilists were killed in the
struggle, and seven escaped.

Weavers on Strike Again.
PHILADELPHIA, Pa., July 30.—The of-
ficials of the Dobson mill insisted on dis-
charging some of the hands engaged in
the late strike and the remainder resented
the action. The strike has been resumed.
With the exception of thirty-five old hands
and twenty-two imported weavers all the
hands have struck. Matters are in as
bad a state as when the first strike was
inaugurated.

Water Didn't Agree With Him.
MILWAUKEE, Wis., July 30.—A dram-
mer for a New York champagne house,
while under the influence of liquor, fell
asleep in a bath tub of cold water in the
Plunkinton House. He was found by a
chambermaid eight hours later, uncon-
scious and half dead. The water had
struck up his hands and feet and
stiffened his joints until he was quite
helpless. He was revived with difficulty.

Gov. Buchanan Acts Promptly.
NASHVILLE, Tenn., July 30.—Gov.
Buchanan has decided to call the Legis-
lature to meet in extra session Aug. 17.
He will refer the whole penitentiary
question to that body to investigate,
consider and act upon.

Fritchard After Charley Mitchell.
NEW YORK, July 30.—The following
cable has been received from London:
"Ted Fritchard has challenged Charley
Mitchell to fight for \$5,000 and the cham-
pionship of England."

NEW YORK, July 30.—Ex-Speaker

gers arriving on the steamer City of
New York from Liverpool.
